

Options for NoteLocker

Various Locking Systems

As standard, NoteLocker is supplied with a rotating handle for a padlock. Alternatively, it is possible to get another locking system such as a combination lock or a key. Electronic locking system is available as well.

Coloured Doors

Doors are available in different colours. Choose from blue, red, white, yellow, green, silver, black and orange.

Various Compartment Sizes

NoteLocker is available in various compartment sizes:

- 4 compartments (11 cm in height)
- 3 compartments (11 cm in height)
- 1 compartment (36 cm in height)
- 1 compartment (48 cm in height)

NoteLocker modules can be combined to form precisely the solution you wish to achieve and that best matches the rest of the furniture and fittings in the room.

Two Power Sockets

NoteLocker can be supplied with two power sockets per each compartment or a power outlet and a network connection per each compartment.
