

NoteCase Amsterdam

Case size	Space for tablets	Tablet type	Max tablet size. incl. connector	Sync / Charge
Large	16	tablets	216 x 290 x 28 mm	NoteSync ² - LCD display

Charge and synchronise 16 tablets quickly and at the same time!

- NoteCase is a robust portable case easy to move around, designed for 16 iPads, but fits all USB-chargeable tablets of a similar design.
- Supplied with NoteSync², the cases provide charging, syncing and secure storage for up to 16 devices, with space for your Mac or laptop. EXTRA room for tablets with covers!
- As an option NoteSync² can be delivered with an LCD display that enables you to track the charging and syncing process of each tablet connected to your master laptop through a USB port. The LCD panel operates in 3 modes: charge, sync or neutral.
- To ensure maximum security, if a device connected to NoteSync² is removed unauthorized, a sound alarm will be activated. Charging at maximum power (2,1 Amp.) ensures a fast charge and protects tablet batteries.
- Synchronisation software is to be purchased separately from iPad/tablet manufacturer or third party.
- Tested for temperature rise limits in different conditions while charging with closed lid – the test report can be supplied upon request.
- CE certified, Danish design – manufactured in Europe.

Option: with or without LCD display
