

# NoteCase Rome

Case size	Space for tablets	Tablet type	Max tablet size. incl. connector	Sync / Charge
Medium	16	Mini tablets	160 x 220 x28 mm	NoteSync <sup>2</sup> - LCD display

### Charge and synchronise 16 mini tablets quickly and at the same time!

- NoteCase is a robust portable case easy to move around, designed for 16 iPad mini's, but fits all USB-chargeable mini tablets of a similar design.
- Supplied with NoteSync<sup>2</sup>, the cases provide charging, syncing and secure storage for up to 16 devices, with space for your Mac or laptop. EXTRA room for mini tablets with covers!
- As an option NoteSync<sup>2</sup> can be delivered with an LCD display that enables you to track the charging and syncing process of each mini tablet connected to your master laptop through a USB port. The LCD panel operates in 3 modes: charge, sync or neutral.
- To ensure maximum security, if a device connected to NoteSync<sup>2</sup> is removed unauthorized, a sound alarm will be activated. Charging at maximum power (2,1 Amp.) ensures a fast charge and protects tablet batteries.
- Synchronisation software is to be purchased separately from iPad/tablet manufacturer or third party.
- Tested for temperature rise limits in different conditions while charging with closed lid – the test report can be supplied upon request.
- CE certified, Danish design – manufactured in Europe.

Option: with or without LCD display
